18/10/2019

Dear Mr Walker

Scheme title : Light No. 7 Station Road, Freshford.

We thank you for your recent enquiry and have pleasure in submitting our quotation as follows:-

To remove the existing 1055 lumen 4000 kelvin LED lamp and replace with a 806 lumen 2700 kelvin LED lamp.

To remove the existing all night photocell and supply and fit a Zodion SS19 35 lux part night photocell with a 00.30 - 05.30 GMT off period.

This work will be carried out while in Freshford carrying out other work.

This quotation is open for acceptance for a period of one month and will be reviewed after this period and is offered subject to acceptance of our terms and conditions. Please return the completed terms & conditions with your acceptance.

**For the sum of £259.83**  
**This price is exclusive of VAT.**

The above quotation is subject to our standard printed conditions Ref No. FO-CG-520 Rev 3.02, a copy of which are attached, please sign and return with your official order.

In addition, the following conditions will apply:-

1. Materials will comply with the specification agreed with yourselves.
2. Application for progress payments will be made during the contract at monthly intervals.

Thank you for your enquiry and should you require any further details, please do not hesitate

to contact me.

Yours sincerely

David Page  
New Business Manager
